

**USMC Scout Sniper Association to Provide USMC Scout Sniper (MOS 0317) Producing Schools
With S/SA Information Binder and Key Graduate Letters of Appreciation**

S/SA VP and Secretary with S/SA-SSS Information Binders and Letter of Appreciation

During the month of March 2010 the S/SA will provide binders containing information about the S/SA to the four formal MOS-producing Scout Sniper Schools (SSS) in the US Marine Corps located in VA, CA, NC, and HI. These binders will include both paper copies and CD filled with some of our general information, membership applications and guidelines, Operation Assist information, a location for S/SA newsletters, S/SA information flyers and power point brief, etc... The Binder will also contain instructions on the S/SA Letters of Appreciation (LOA) for the Scout Sniper Graduates attaining the titles of Honor Graduate, High Shooter, and High Stalker.

The award recognition from the S/SA to the recent top Scout Sniper graduates of each class is long overdue and is the association's way to show and share our gratitude and respect for those that have strived to achieve excellence in one of the Corps' most demanding formal schools. This is a cost effective awards program that will give back to our younger and more recent generations of Scout Snipers. Each of the three LOA recipients will be awarded a LOA on S/SA-stamped parchment paper that is suitable for framing, along with a S/SA coin that when possible is ideally provided by one of our ambassadors or local representatives in the respective areas during the graduation ceremony.

This S/SA-SSS binder also makes it simple and easy for the local S/SA Ambassador, Representative, or SSS OIC/SNCOIC to provide a standardized S/SA brief to the graduating classes with the information stored on location at the school houses.

With roughly four graduating classes per school per fiscal year, the S/SA will provide the pre-stamped LOA paper and coins once a year via the S/SA secretary direct to the school houses along with any updated information.

Semper Fidelis,

R Reidsma
S/SA Vice PResident
